Anxious To Serve You

The telephone operator is just as anxious to give you prompt and accurate telephone service as you are to receive it. This interest is shared by employees in all other departments.

Illinois Bell Telephone Company

Telephone Your Mother On Her Birthday

A LONG DISTANCE CALL to your mother on her birthday may mean more to her than the most elaborate gift. Mother loves to hear the cheery voices of her sons and daughters and to know that they have not forgotten her.

To have you with her on her birthday would be your mother's greatest joy, but if circumstances and distance forbid a visit, then call her by long distance telephone and let her hear your voice.

Maintenance and National Service

NATURE is both the ally and enemy of the telephone. One of her forces—electricity—carries the voice of man afar. Others, as flood, tornado or sleet storm, can cripple communications in a large area through their devastating might.

Each pair of telephone wires in the Bell System is a pathway for reciprocal speech. When beaten down by the uncontrollable forces of nature, that pathway to fifteen million telephones is blocked, and none of the nation's voices can pass that way.

Reserve materials must be on hand, that storm damage may be repaired without delay. Adequate funds must be made available so that the cost of restoration may be met.

National telephone service is only possible through an organization capable of handling, on a nation-wide basis, the problem of maintenance as well as of operation.
